Simeon Eby of Dwyer was in our town on business Saturday.

Albert Lindauer, the Palomas merchant, transacted business in our town yesterday.

The new lumber office being built by J. I. Clement is nearly finished and the yard is filling up rapidly with building material.

Rev. J. A. Armstrong will preach in the L. O. O. F. Hall Sunday Oct. 25th, morning and evening, also Tuesday evening Oct. 27th.

B. Y. McKeyes and J. A. McCoy made a business trip to the mining district known as the jog in Mexico, last Friday returning Saturday evening.

C. E. Bowlen formerly foreman of the mechanical department of the Bisco Review and an experienced newspaper man rendered valuable assistance in this office last Thursday and Friday.

A Spanish class was organized last Tuesday evening at the Graphic office. Meets Tuesday and Friday evening. All persons wishing to join are requested to apply at once and get the benefit of the first lessons.

The windows at the Deming National Bank are being lettered in an artistic manner so that "he who runs my read" and not go astray when he wants a reliable financial institution to deal with.

Butch Smith, the well known cow boy, is exhibiting a fine black eye. It is the result of his horse running under the limb of a tree which was not high enough to clear a man on horseback.

Owing to the Silver City mail being taken past here Monday evening, we are unable to give our usual interesting correspondence from that place.

Mrs. B. F. Baker, formerly of Douglas who has been visiting her mother Mrs. E. Pettet of this city left Monday in company with her mother for a visit with her sister of Dos Cabezas Arizona.

A. H. Thompson inspected 17 cars of cattle last Saturday which were being shipped by Hilderbrand to Chino California. Several other shipments have been made and several are gathering to ship in the next few days.

R. H. Flahive who went to Gallup some time ago to attend the funeral of his father, returned last Saturday and has accepted a position in the store of the Deming Mercantile Co. His many friends here will be glad to conclude to remain in our town permanently.

Kelly Phillips is one of the Luna county boys who won both money and honor at the fair last week. Although he is but 16 years old he took third place on the roping contest, and many people who saw him tie his steer said he did the prettiest work of any one in the field.

Tony Keith went to Albuquerque last week for the purpose of playing in the ball game with the El Paso team but the folks up there had heard of him so concluded he was too fast for them. This is a good recommendation for our Deming ball players and particularly for Mr. Keith, and we congratulate him on the compliment he received.

Major J. R. Waddill left last Friday for St. Louis to attend a meeting of the National Colony and Sanitarium and he sat before leaving that the construction of the first building would be commenced as soon as this meeting is over. Maj. Waddill says there is no such thing as failure in this undertaking; of necessity it is slow in starting on account of its magnitude but it will be carried to success and will be the argest institution of this character ever organized in the world.

The infant child of Mr. and Mrs. Lovell, died Monday morning after a short illness, and was buried yesterday afternoon. Mr. Lovell and wife came to our town only a few weeks ago and this affliction comes upon them as strangers in a strange land thus making it doubly hard to bear, yet our citizens have done all in their power to soothe their sorrow and to extend that sympathy which comes from loving hearts.

J. W. Stephens, representing the New Mexican, was in our town yesterday and today getting facts for a write-up of Luna county. These articles published by the New Mexican on the resources of the territory are doing much good and the people of each community should assist Mr. Stephens in every way possible in this work.

ACCIDENTAL DEATH

The many friends of Walter Coulson, who left here some weeks ago for Louisiana with a bunch of horses, will be grieved to hear that he was killed Monday by a horse falling on him. It understood that he was to have been married to a Deming young lady soon and the sympathy of all goes out to her and his relatives in this sad hour.

We are informed by Col. P. R. Smith who returned from El Paso Saturday last, that the opening of the Deming Bank Loan and Trust Co's bank will now be postponed until December in order to enable some of the St. Louis stockholders to be here at the opening and to perfect some important business matters in connection with the bank.

HEARST'S VISIT

Party Spent About 30 Minutes in Deming—Talked with Leading Citizens and Took Pictures of School Children.

Yesterday at about 12:15 the much talked of Hearst Congressional train arrived in Deming. It had been expected since Saturday evening but owing to a change in the plans was detained two days in Arizona. The school children were formed in lines and marched to the Union Depot, and lined up on the platform. After the members of the party had shaken hands with as many of the citizens assembled on the platform as they could the artist of the party had the children grouped together and took pictures of them and the teachers. This done there was more hand shaking and at about 12:45 the train departed amid rousing cheers from both old and young.

It was a matter of regret to most of our citizens that this party could not stay and visit the town and talk with the people at the Club room and form more of an idea of our town as well as learn the attitude of our citizens in regard to statehood, but it is well known that they had the opportunity of viewing the products of the territory at the fair in Albuquerque, and that in their trip they cannot help seeing and realizing that we are in every way fit, and of right ought to have statehood. And in their talks with the leading public and business men all over the territory they will learn that the progressive people, regardless of party, are almost unanimously in favor of it.

Viewed from a personal point of view we feel that this visit of these influential men to our territory, regardless of any political consideration, should do much to hasten the securing for us our rights which have been denied us much too long now.

Swarts Notes.

R. Swany of Deming, the great bear hunter, returned last week to the city after several days visit at the home of J. Goforth.

Mrs. J. Goforth spent the day at the home of Mrs. A. Schultz last Tuesday. Mrs. Edward Kimnick was a visitor at the home of Mrs. E. J. Swarts one day this week.

Messrs. Lee Lester and E. Goforth were business visitors here one day the fore part of this week.

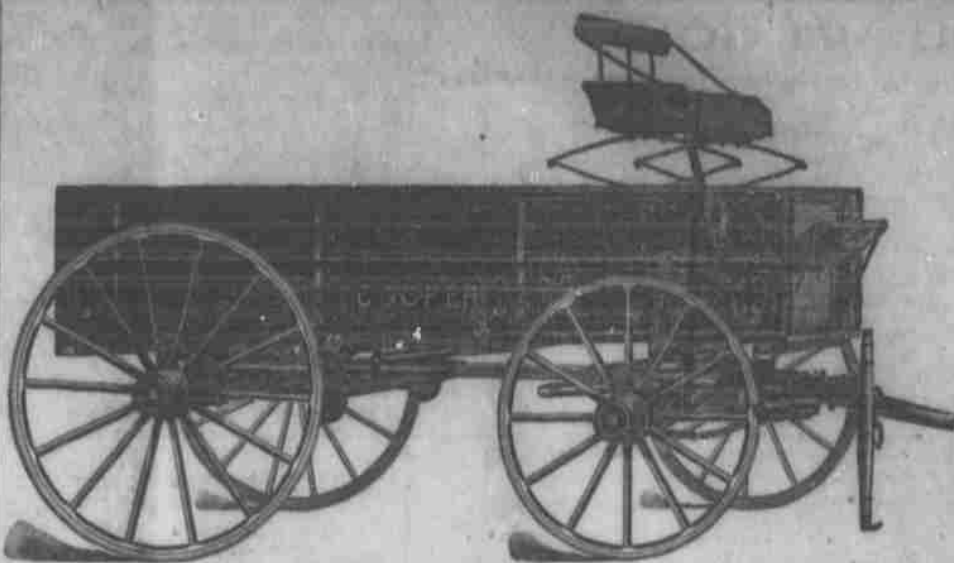

The Misses Katie J. Swarts, Carmelita Swarts and M. M. Norcor were visitors at San Juan one afternoon this week.

Fred Rodriguez, passed up the river last Tuesday for a short visit at his home, returning the same evening.

Mesdames J. A. Goforth and A. Schultz were visitors at the Swarts school Friday afternoon.

Assessor E. J. Swarts had the misfortune to lose two fine cows on the 13th. The cause of their death is a mystery, as they were found dead in the corral in the morning without any apparent reason for their death.

Is the one that will cleanse the system, set liver to action, remove the bile, clear the complexion, cure headache and leave a good tasted in the mouth. The famous little pills for doing such work pleasantly and effectually are DeWitt's Little Early Risers. Bob Moore of Lafayette, Ind., says: "All other pills I have used gripe and sicken while DeWitt's Little Early Risers are simply perfect."—Sold by J. P. Byron & Son.

Cures When Doctors Fail.

Mrs. Clara Chaisson, Patterson, La., writes June 8th, 1901: "I had malaria fever in a very bad form, was under treatment of doctors, but as soon as I stopped taking their medicine the fever would return.
